

## End-of-life notification

<b>Topic</b>	SARA-R412M-02B End of life - Rev. 2
<b>Disclosure restriction</b>	Public
<b>Document number</b>	TRSC-437461976-3899
<b>Author</b>	Alessandro Bonetti
<b>Date</b>	18/11/2025

This document is provided for informational purposes only and is subject to change without notice. Trasna and third parties may hold intellectual property rights in the products, names, logos, or designs referenced herein. No part of this document may be copied, reproduced, modified, or disclosed to third parties without prior written permission. The information is provided “as is” without warranties of any kind, express or implied, including but not limited to accuracy, reliability, or suitability. For full terms, please visit [trasna.io/terms](https://trasna.io/terms).

## Affected product versions

Product type code	Successor or alternative product order code
SARA-R412M-02B-03 SARA-R412M-02B-04	SARA-R422S-01B

All orders of the above listed products placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

## Reason for discontinuation

Due to the end-of-life of a critical RF component from one of our suppliers and the absence of a suitable pin-to-pin replacement, Trasna is forced to announce the end-of-life (EOL) for the products listed above.

## Customer impact and recommended actions

Successor and alternative products are pin-to-pin compatible with their predecessors and support the same FW functionalities but are based on a different cellular chipset.

## Important remarks

- Due to the potentially limited availability of the component being discontinued, only a limited quantity of modules may be available for the last buy. We kindly ask you to provide a non-binding forecast of your last buy quantity as soon as possible to allow Trasna to plan accordingly
- To allow proper planning, please submit your latest orders as soon as possible.

## Schedule

Last-time-buy date	Last shipping date
15 December 2025	30 June 2026

## Contact

We thank you for your understanding and assure you our very best support. If you have any questions, please contact us.
